M2 Reading: An accident

Read what Alicia reports about her accident. Then tick the correct sentences.

Last summer, I broke my arm. It happened when I was playing basketball. A girl from the other team pushed me. I fell on my left arm and it hurt a lot. My arm looked really strange and it was swollen. It was 7pm so I couldn't go to the doctor's. My parents drove me to hospital. There a doctor took an X-ray of my arm. Then he told me that it was broken. The rest of the summer was really boring. I couldn't move my arm for six weeks and I couldn't go swimming or play basketball during that time ...
