## Global Shakespeare

Romeo and Juliet,

Hamlet, Richard III...

~~Also~~ Even in today's society, almost every human creates a picture in their mind when thinking of those plays, written by William Shakespeare. Although he passed away about 400 years ago.

According to ~~an~~ <sup>the</sup> article

"Darum spielen wir Shakespeare", published by ~~the~~ "Märkische Allgemeine Zeitung" (~~a~~ German newspaper) on April 23 2016 and written by Karim Saab, Shakespeares plays are still on stage in ~~a~~ German theatres. The article contains interviews of four different employees from

Why ~~is~~ ~~Shake~~ are  
Shakespeare's plays  
still on stage?

With reference to  
the article, Shakespeare  
combines multiple  
aspects in one. He  
is described as different,  
as someone who is  
full of surprises.

The ~~reason~~ <sup>Shakespeare</sup> ~~he~~ is  
contemporary, due  
to the fact that  
his plays deal with  
issues that are  
still issues at present.\*

~~At the same time, Shakespeare~~  
~~Michaelangelo, Bach~~

Moreover, Shakespeare  
is compared to

who's 38 plays and 154  
sonnets are filled with  
poetry and rhetorical  
strength. Therefore  
Shakespeare was able  
to create a wide  
audience.

All ~~in~~ in all,  
Shakespeare seems  
to be an artist of  
all time who will  
~~be~~ possibly be  
<sup>present</sup>  
~~with us~~ for a  
long ~~time~~ while.
