2. Unterrichtsbesuch im Fach Englisch

Thema der Unterrichtseinheit: Sport is good for you! (*Unit 4, Green Line 2, G9, 2015*)

Thema der Wochenaufgaben: Repeating the *simple past* and the *present perfect*

Übergeordnetes Unterrichtsziel: Die SuS fördern ihre sprachlichen Mittel, indem sie die Grammatik des *simple past* und *present perfect* wiederholen und die Zeitformen durch das Bearbeiten verschiedener Aufgabentypen (*fill in the gaps, connecting pairs, choosing the correct answer*) korrekt anwenden und festigen.

Einordnung der Stunde in die Progression:

Bei dem folgenden Stundenverlaufsplan handelt es sich um Wochenaufgaben, die im Rahmen der Schulschließungen aufgrund von Covid-19 an die SuS gesendet wurden. Die SuS befinden sich zur Zeit in der *Unit 4*, die sich auf das Thema „Sport is good for you“ fokussiert. In der Woche zuvor haben sich die SuS mit dem Text „Hey, don't call me silly!“ in ihrem Schulbuch auseinandergesetzt. Die hier aufgezeigten Wochenaufgaben galten primär der Wiederholung des *simple past* und des *present perfect*, und sekundär der Entlastung der SuS. Dies wurde bei der Aufgabenkonzeption berücksichtigt. Die Zeitformen *simple past* und *present perfect* sind den SuS bereits bekannt. Sie verwendeten sie in schriftlicher und sprachlicher Form, um von den Geschehnissen im Text „Hey, don't call me silly!“ zu berichten, und auf Basis dessen einen diary entry zu verfassen. Die SuS können in beiden Zeitformen Aussagesätze bilden und Verneinen, lediglich die Fragestellung im *present perfect* wurde noch nicht behandelt.

Pusheen the cat

I would like to introduce¹ you to Pusheen the cat. The word *Pusheen* is her name. It is a bit strange, right? It comes from the Irish word *puisín* which means “kitten”. She lives in Germany with her family. Her fur² is grey and she is very lazy. She likes to eat marshmallows and her hobby is to sleep on the sofa.

Pusheen wants to learn English, too. For this week, she will be your English-buddy! Her English is not as good as yours, so please help her to do the exercises and tasks. I hope you have fun!

¹ to introduce someone - jemanden vorstellen | ² fur - Fell

Today, we will repeat the *simple past* and the *present perfect*. Again, there will be two blocks. Take a break whenever you need to.

Aufgabenblock 1: Wiederholung von Simple Past (ca. 15min)

1. Watch the “*Song of the Simple Past*”: <https://www.youtube.com/watch?v=AznwvvoiHzk>

(Das Video wiederholt die Regeln, wann *simple past* benutzt wird, und wie es gebildet wird. Wenn du dir damit unsicher bist, schau dir die Tabelle am Ende dieses Dokuments an.)

2. Because of the virus, Pusheen has to stay at home, too. She is not sure how to say what she did last week. Can you help her?

- Follow the link and do the exercise: <https://learningapps.org/watch?v=pt995nb5v20>
(If you have problems with the link, you can find every exercise on the **AB** in the “Aufgabenmodul”.)

Aufgabenblock 2: Wiederholung von Present Perfect (ca. 20min)

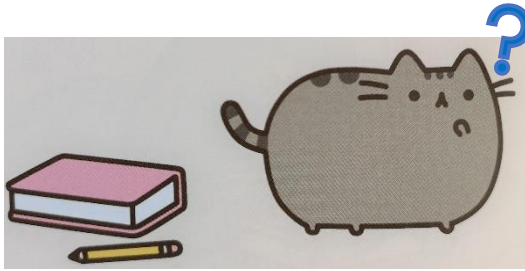

1. There is also a song about the *present perfect*. Follow the link and watch it:

<https://www.youtube.com/watch?v=S8XYAmT8iDU>

Maybe it can help you to understand the rules.

(Falls dir die Wiederholung im Video nicht hilft, schau dir die Tabelle am Ende des Dokuments an. Dort wird neben *simple past* auch *present perfect* wiederholt.)

2. Now she wants to talk about her family. She has never written sentences in *present perfect* before. Help her to write the sentences.

Follow this link and do the exercise:

3. Oh no! Pusheen jumbled³ her notes about *simple past* and *present perfect*! Can you help her to tidy up and find the correct pairs?
