

Part I: Interview

Teacher:

time:
4 minutes

In the first part of this test, I am going to ask each of you some questions.

*In the interview, I will ask each of you each **question** in the following way:
A, then B / B, then A / A, then B ... and so on.*

We will start when you are ready.

- What can you tell me about yourself and your family?
- What hobbies and interests do you have?
- What would you miss if you had no internet access?
- What are your reading habits?
- What TV programmes do you like?

This is the end of this task.

Part II: Monologue A

Teacher:

*Now I'd like each of you to **talk about pictures**. You have about **2 minutes each**.*

Candidate A: *You will start. Here is your material.*

time:
2 minutes

- Describe one of the pictures.
- How might the people in the picture feel and why?
- Where would you go for your dream holiday and what would you do there?

Shall I repeat the instructions?

Candidate B: *Now it's your turn. Here is your material.*

time:
2 minutes

- Describe one of the pictures.
- How might the people in the picture feel and why?
- What kinds of sports do you do and which sport would you like to try out in the future?

Shall I repeat the instructions?

time:
4 minutes

Part III: Paired Discussion

Teacher:

*Now I'd like each of you to **talk to each other**.*

*You and your friend want to go to the movies. Talk about the film posters and decide which film you
want to watch*

Part II: Monologue A

- Describe one of the pictures.
- How might the people in the picture feel and why?
- Where would you go for your dream holiday and what would you do there?

- Describe one of the pictures.
- How might the people in the picture feel and why?
- What kinds of sports do you do and which sport would you like to try out in the future?

You and your friend want to go to the movies. Talk about the film posters and decide which film you want to watch.
