

Where to eat?

Karla, Gillian and Rajiv went on a bike tour. Now they are hungry and want to get something to eat.

Gillian: I heard there is this new Italian restaurant on the main street. Why not go there?

Karla: Yeah, I heard about that, too. But I don't know what the prices are, maybe it is a bit more expensive...

Rajiv: I always like to go to the Hillgate Pub and Curry House. The food is good and the prices, too.

Gillian: True, but it always takes a long time to get your food.

Karla: Maybe the Food Express is better, you get your food fast and the prices are low I heard.

Rajiv: Oh, now we have three options...how should we decide?
