

99 Ways to Say “Well done”

Liebe Lehrerinnen und Lehrer,

wie oft haben Sie heute zu Ihren Schülern “Good!” oder “Fine!” gesagt? Diese Sprachlernkarten “*English for Teachers*” sind als Material für Sie gedacht und sollen Ihnen helfen, mehr Varianten im Unterricht präsent zu haben, um Ihren Schülern positive Rückmeldung zu geben. Ein kleiner Tipp zum Verinnerlichen: Sortieren Sie die Karten aus, die Sie sowieso häufig benutzen. Suchen Sie sich alle paar Tage fünf neue Karten aus und kleben Sie diese

an den Badezimmerspiegel, über den Herd oder das Spülbecken, so dass Ihr Blick beim Zähneputzen, Kochen oder Abwaschen immer mal wieder darauf fällt.

Sie kennen noch mehr Redewendungen? Dann notieren Sie diese doch auf den freien Karten.

Viel Erfolg beim Ausprobieren!
